About Seminars For Health

Seminars for Health was founded in 2011 and has now grown into Canada's leader of Advanced Education for Massage Therapists.

We offer over 80 quality courses per year to support and enhance the massage therapy industry. We are excited to now offer five Certification courses!

Our classes created from knowledge, experience, and science-based research to enhance your skills and strengthen the Health industry. We offer exclusive courses that cannot be found anywhere else.

For our full class list visit us at seminarsforhealth.ca and follow us on Instagram and Facebook for news and tips @seminarsforhealth
