Section 4 Massage Therapy Additional Massage Modalities

Criteria: In order for an "Associate Massage Therapist Member" or a "Full Massage Therapist Member" to practice any of the following modalities, the modality must be granted by CMMOTA. A modality will be granted if the following are provided to the Association:

1. A Certificate from a CMMOTA approved Continuing Education Course which meets both the approval of the Professional Liability Insurance company, and CMMOTA's minimum standard of hours and hands on training required to grant the specified modality; or
2. Diploma from a CMMOTA accepted Massage Therapy programme accompanied by Transcripts and Course Outlines which include hours of training in any specific modality type - the course outline, preferably with a breakdown of theoretical hours and practical hours, would have to be from the specific year that the programme was delivered to the therapist, as we recognize that programmes change from time to time. Any modality would need to meet the minimum standard of hours and hands on training required to grant the specific modality and would require approval from the Professional Liability Insurance provider as sufficient proof of education.

This is the list of additional Massage Related Modalities that CMMOTA recognizes. Any Modality not on this list would have to be considered by the CEC Committee, Administration, and the Board of Directors before it would be added to the list. The Association reserves the right to add to or remove any modality on this list at any time for any reason it deems necessary.

Section 6 – Manual Osteopathic Therapy

CMMOTA has designated this modality as a separate professional designation. As such while we are able to offer professional liability insurance coverage for those members who are enrolled as a student in an MOT programme as an add on to your RMT policy with a surcharge, it may not be practiced as part of a Massage Therapy Treatment Plan, and must be billed separate from Massage Therapy, and any receipts issued by the member for Manual Osteopathic Therapy services shall not include the Member's CMMOTA RMT Registration number.

Once a member has graduated from a Manual Osteopathic Therapy programme, in order to continue practice as a Manual Osteopathic Therapists, we do require registration as a individual professional designation, and an upgrade in insurance coverage.

If you wish to have the coverage for Manual Osteopathic Therapy added to your professional liability coverage, please contact the CMMOTA office directly to get the process started.

IF You are practicing or offering any services not listed above, please contact Dusyk and Barlow to obtain separate coverage. Practice or offering of additional services cannot be billed or invoiced using a CMMOTA RMT membership number.
